**Subject:** Atlantic Coast Pipeline: REJECT Water Quality Permit

Please Do NOT support the Atlantic Coast Pipeline. Please REJECT the NC 401 Water Quality Certification permit that would allow construction of the line. There is NO redeeming feature for the process and production of energy through fracking. It must be stopped.

Sincerely,  
Barbara and Bob Robertson  
4019 Old NC 10  
Durham, NC, 27705
